Dear Sir or Madam:

I certify under penalty of perjury that I am authorized to act on behalf of the Paramount Global companies CBS Broadcasting Inc., CBS Studios Inc., Paramount Pictures Corporation, Showtime Networks Inc., Viacom International, Inc., Black Entertainment Television LLC, and other Paramount Global subsidiaries and affiliates (collectively, the "Rights Owners"), the owners of certain exclusive intellectual property rights in the copyrighted work(s) identified in this notice. I have a good faith belief that the information in this notice is accurate.

We have become aware that the below IP addresses have been using your service for distributing video files, which contain infringing video content that is exclusively owned by the Rights Owners.

We have a good faith belief that the Rights Owners' video content that is described in the below report has not been authorized for sharing or distribution by the copyright owner, its agent, or the law. Such copying and use of this material constitutes clear infringement of the Rights Owners' rights under the Copyright Act and its counterpart laws around the world.

We are requesting your immediate assistance in removing and disabling access to the infringing material from your network. We also ask that you ensure the user and/or IP address owner refrains from future use and sharing of the Rights Owners' materials and property.

In complying with this notice, you should not destroy any evidence that may be relevant in a lawsuit relating to the infringement alleged; including all associated electronic documents and data relating to the presence of the infringing items on your site, which shall be preserved while disabling public access, irrespective of any document retention or corporate policy to the contrary.

Nothing in this letter shall be construed as a waiver or relinquishment of any right, remedy, or claims possessed by the Rights Owners, or any affiliated party, all of which are expressly reserved.

Should you have any questions, please contact me at the information below.
